

CPDIVA N

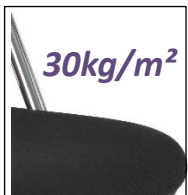

Comfortable and robust folding chair

Ideal for telecommuting due to its ergonomic design and small footprint

Ergonomically designed mesh fabric that adapts to the curve of the back. Limits perspiration and allows air to pass through

Maximum comfort thanks to its reinforced foam seat (30kg/m³)

Minimum space requirement when folded

Maximum supported weight: 110kg

The folding chair with maximum comfort! This elegant folding chair with its mesh backrest combines modernity and seating comfort. The chair is practical and simple and will fit perfectly into your working environment. Sturdy steel frame with anti-slip feet, ensuring perfect stability.

Combining style and elegance, this chair meets your ergonomic needs while offering a small footprint for storage.

Quand le beau rejoint l'utile
