

# ERGOBOX EASY

The clever, ergonomic module for organising and improving your workspace

2-in-1: storage unit and monitor stand for an optimised, ergonomic workspace

2 storage compartments (6.5 cm and 10.5 cm) for organising notebooks, a laptop, a keyboard, a tablet and everyday accessories

Optimised size for storage in a standard locker (H30.5 x W34 x D18 cm)

Sturdy metal frame ensuring long-lasting durability and stability

ERGOWORKER EASY optimises your workspace by combining storage with a monitor stand. Its two compartments allow you to organise your laptop, keyboard, notebook, tablet and accessories, whilst raising the monitor to improve your posture and visual comfort.

Compact and sturdy, the ERGOWORKER EASY is perfectly suited to new ways of working. Its sturdy handle makes it easy to carry, its elastic band keeps documents in place, and its optimised size means it fits into a standard locker, making it ideal for flexible working, remote working and shared spaces.
