DOORSTOP XL Door stop – Weighted with steel and elastomer

A raised door block for effectively securing doors and windows

Holds doors open (1.5 kg weight)

Extra-tall XL size designedto cover windows up to skirting board height (7.5 cm)

Reduces impacts against walls and doors thanks to its double elastomer protection

Non-slip thanks to its rubber coating and weighted base

DOORSTOP XL keeps doors and windows open, even where there are high skirting boards. Its raised design, 1.5 kg weighted base and non-slip coating ensure excellent stability for everyday use.

With its steel finish and double elastomer protection, DOORSTOP XL combines robustness with a discreet appearance. Its understated design blends easily into any professional environment whilst effectively protecting doors, walls and partitions.
