and **100% recyclable**

1 compact **package** for a reduced CO2 impact
and **100% recyclable**

Discover the wooden armrest from the modular range. This solid, sturdy armrest can be used to break up lines and create separations in your composition. It can be placed either to the left or to the right of your seat. Made from wood, it adds a warm, cosy atmosphere to your space. You can also combine other wooden modules to give rhythm and break up lines (table or document holder).

Create visually rhythmic and colourful compositions, ideal for waiting areas, lounges, reception areas, offices or hotels. Transform your spaces!
