

LEDSTEELIO N

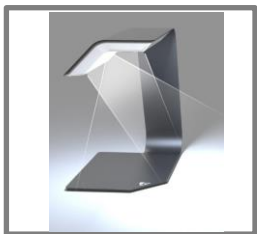

LED lamp

Modern metal LED lamp with double light

Desk lamp with integrated LED panel for ecological and economical consumption (30,000H)

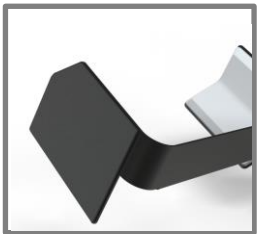

Diffusion of light according to your needs: straight, inclined or both

Touch-sensitive I/O switch on base
Operates via USB cable (cable supplied)

Heavy-duty metal structure
Anti-slip pads for greater stability and to prevent scratches on the tray

Enjoy quality light while saving energy thanks to the built-in LED, designed to last up to 30,000 hours.

Adapt the direction of the light to suit your activity: light on the right, left or both sides for optimum visual comfort. The discreet I/O button on the head is intuitive to use.

Its sleek metal frame blends easily into any workspace. Non-slip glides protect your surface while ensuring perfect stability.
