

DKBOX LT

The 2.0 storage module

Functional, practical storage module: the ideal companion for flex office work

2 x 7 cm compartments for notebook, laptop, keyboard, tablet, pens and mug

Provides optimum support for your belongings

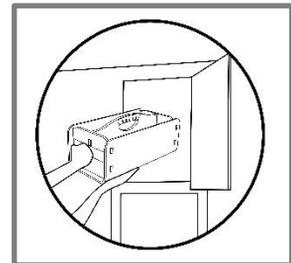

Elastic straps on the sides to hold your phone or pens

Solid handle with ABS reinforcement

Size optimised to fit in a standard locker

Environmentally-friendly thanks to its composition of FSC wood and **100% recycled PET** and **100% recyclable**. (PET made from recycled water bottles).

Compact packaging to reduce CO2 impact and 100% recyclable

Ideal for people working in flexible working environments. Store your belongings in your ERGOBOX LIGHT, move around with it thanks to its sturdy handle and work wherever you like. Benefit from a variety of storage spaces. Once you've put your things away, enjoy a clean, uncluttered space.

A trendy, cosy and uncluttered design thanks to its mix of wood and 100% recycled PET felt. The size of the product is optimised for easy storage in a standard locker.
