

MOBI4L

Chromed metal shelf with 4 shelves 120 cm

Optimize your workspace with this adjustable and multifunctional shelf

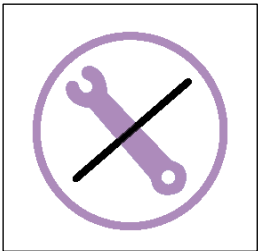

Adjustable shelves every 25 mm

Robust and durable
Maximum load per shelf
70 kg

Easy and tool-free assembly
for quick installation

Easy to maintain thanks to
its wired structure

The multi-functional chrome-plated wire shelf is the perfect accessory to furnish a small corner of your office. With its 4 levels and a width of 120 cm, you will be able to keep all sorts of things within reach. Made of chrome wire, the shelf is robust and resistant and can support 70 kg per shelf.

Combining style and elegance, this shelf will fit perfectly in all your workspaces. Its advantage: customize the height of the shelves to the centimeter.
