ARCHI ICON LED lamp

We light
La lumière par Alba

The iconic architect's lamp, reimagined for your workspaces

An architect's lamp with a unique design, featuring a wire-frame head for a more contemporary look

Built-in LED panel for eco-friendly and economical energy consumption (30,000 hours)

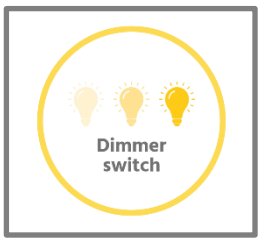

Double articulated arm for maximum reach

Weighted base for perfect stability

Touch-sensitive on/off button integrated directly into the head
Adjust the light intensity by holding down the button

LED power supply for high-quality lighting and reduced energy consumption.

Ergonomic in design, ICON provides optimal lighting thanks to its dual swivel arms and articulated head.

With its sleek design and iconic silhouette, ICON reimagines the architect's lamp in an industrial and contemporary style.
